I have read and agree to the terms & conditions.

Click on the “Register” button once you have provided the required information in the provided fields. Klikkupon will automatically send an email to you (as a prospective merchant) for activation purpose. Please open the email and click on the link to activate your account. Once you click on the link provided, your account will be activated and you can now log in as merchant.

B. Steps to create coupons

Before you can create coupons, you would have to determine/ create your business first.

The screenshot shows the 'Business Information' page on KlikKupon.com. The left sidebar contains a menu with 'Business Information' highlighted. The main content area has a form with fields for Business Name, Website, and Additional Information. There are three 'Picture' upload sections, each with a 'Browse...' button. An 'Add Business' button is at the bottom of the form. Below the form is a table listing added businesses. A red note at the top states: 'Note: You must create a business name before you can create a new coupon.' Three blue arrows with numbers 1, 2, and 3 point to the 'Business Information' menu item, the 'Additional Information' field, and the 'Add Business' button respectively. A blue box highlights the table with the text 'Untuk menambahkan lokasi merchant' and arrows pointing to the 'Kentang Bakar' entry and the 'edit' button.

Add Business View Business List

This step is similar to that of adding new business. Once you have filled in the required information, click on “Save Location” and the location you have just added will appear on the list below.

After you have completed the “add business” step, you can now proceed to create coupons.

Click on “Create a New Coupon” button to bring you to the page to begin creating your coupons.

Create A New Coupon

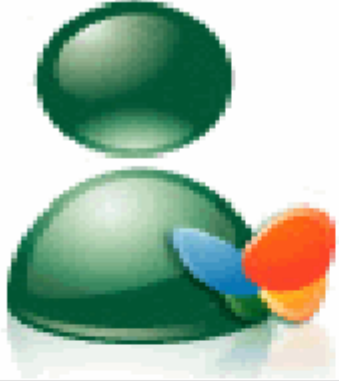

You must create a business name before can create a new coupon.
Please go to your [Business Information](#) to create a new business name.

[Sample Coupon & SMS promo](#)
